Immigration Commessioner Sargent is right in his view of the public evils arising from the maintenance in this country of colonies of aliens who retain their allegiance to their native countries and send there the greater part of their earnings. Many of Le Italian and Hungarian immigrants do not come here to stay longer than sufficient time to acquire money which they intend to go back to Europe to spend, continues the Philadelphia Press. That was one great objection against the Chinese. It is just as objectionable in the case of other immigrants. There should be legislation to discourage, as far as possible, that condition of things. Immigrants who come here without any intention of remaining are not wanted.

Truths that Strike Home

Your grocer is honest and-if he cares to do so-can tell you that he knows very little about the bulk coffee he sells you. How can he know, where it originally came from, how it was blended-or with what -or when roasted? If you buy your coffee loose by the pound, how can you expect purity and uniform quality?

LION COFFEE, the LEADER OF ALL PACKAGE COFFEES, is of necessity uniform in quality, rength and flavor. For OVER A QUARTER OF A CENTURY, LION COFFEE has been the standard coffee in millions of homes.

LION COFFEE is carefully packed

at our factories, and until opened in

your home, has no chance of being adul-

terated, or of coming in contact with dust, dirt, germs, or unclean hands. In each package of LION COFFEE you get one full pound of Pure Coffee. Insist upon getting the genuine.

(Lion head on every package.) (Save the Lion-heads for valuable premiums.)
